CUSTOM ENVIRONMENTAL SERVICES ADDS NEW STAFF TO DENVER OFFICE

DENVER – Custom Environmental Services, Inc. (CES), a nationally recognized full-service environmental contractor with offices in Denver and Colorado Springs, announced the addition of four new staff members to its Denver office in response to the company's growing list of clients and projects. Joining CES are:

George Davis, Sales and Marketing Manager with 18 years of environmental industry experience, primarily in remediation and disposal sales and lab packing.

Mike DeMille, Supervisor - Asbestos, Mold/Meth with more than 20 years of high profile supervisory and managerial experience in the asbestos, lead, and hazardous materials remediation/abatement industry.

Roberta Graham, Technical and Project Manager for hazardous materials spills, hazardous waste disposal, site remediation, and analytical and lab packing projects.

Gary Moser, Senior Project Manager with 27 years of experience in operations management and environmental business development.

Custom Environmental Services, Inc., was established in 1998 and is headquartered in Denver, Colorado. CES has become Colorado's hands-on environmental contractor, providing unsurpassed quality in stressful situations. The company tailors its services to each individual customer and unique situation with quick response time and a focus on safety and prevention. CES offers 24-hour, 7 day-a-week emergency response, asbestos, and meth and mold remediation, as well as other on-site environmental services. For more information, log on to CES' web site at www.customsvcs.com.
