## **CUSTOM ENVIRONMENTAL SERVICES ADDS NEW STAFF TO COLORADO SPRINGS OFFICE**

**DENVER** – Custom Environmental Services, Inc. (CES), a nationally recognized full-service environmental contractor with offices in Colorado Springs and Denver, announced the addition of four new staff members to its Colorado Springs office in response to the company's growing list of clients and projects. Joining CES are:

**Chris Cargill, Acting Manager and Environmental Project Manager** with 9 years of experience managing environmental projects and personnel.

**George Davis, Sales and Marketing Manager** with 18 years of environmental industry experience, primarily in remediation and disposal sales and lab packing.

**Lincoln Seime, Asbestos Supervisor** responsible for site-specific project planning, job specifications, productivity, and interfacing with building owners and environmental consultants.

**Joe Doyle, Environmental Project Manager** brings experience in emergency response and remediation, oil spill clean up, in-plant services, and clandestine lab clean up and disposal.

Custom Environmental Services, Inc., was established in 1998 and is headquartered in Denver, Colorado. CES has become Colorado's hands-on environmental contractor, providing unsurpassed quality in stressful situations. The company tailors its services to each individual customer and unique situation with quick response time and a focus on safety and prevention. CES offers 24-hour, 7 day-a-week emergency response, asbestos, and meth and mold remediation, as well as other on-site environmental services. For more information, log on to CES' web site at [www.customsvcs.com](http://www.customsvcs.com).
